Notes on Compilation:

- All required fields are mandatory
- All required passes will be sent to the email address entered in the system form
- Make sure you have all photos of your staff members before you start filling out the form
- It is mandatory to enter the race number
- Each individual form is tied to the registration of the individual car. Each team must fill out as many forms as there are cars registered
- Car passes are bound to the name pass. The system assigns car passes by default to the first passes shown in the form list
- It is mandatory to print your pass if a car pass is associated with it. The same must be displayed on the car when entering the reserved parking area

Form filling support:

Clicking on the following button will allow you to view a short video tutorial on filling out the form
